

# **Task Definition Meeting Annex Proposal “Flexible Sector Coupling by Energy Storage Implementation”**

**February 28 – March 1 2018  
Paris, France**

Dear Colleagues,

We would like to invite you to our task definition meeting for the proposed Annex “Flexible Sector Coupling by Energy Storage Implementation”, which will take place February 28 – March 1 2018 in Paris at the IEA.

The event will start on Wednesday February 28 at 11:00 and ends the following day Thursday March 1 at 12:00.

The purpose of the meeting is to introduce the Annex proposal and interested parties (Implementing Agreements, Institutes, Industry and others), their projects and activities as well as to start a discussion on the objectives, scope, activities and outcome of the annex. If you are already working on this topic, we would like to invite you to shortly present your findings.

Please send a short message announcing your interest in participating and contributing (title of your presentation) to the meeting. We also attach a preliminary agenda.

We are very much looking forward to welcome you in Paris! Please forward the invitation to all relevant persons.

Sincerely Yours,

Andreas Hauer
