

Task Definition Meeting Annex Proposal “Flexible Sector Coupling by Energy Storage Implementation”

**October 3 2018
Graz, Austria**

Dear Colleagues,

We would like to invite you to our second task definition meeting for the proposed Annex “Flexible Sector Coupling by Energy Storage Implementation”, which will take place in conjunction with ISEC Conference on October 3, 2018 in Graz, Austria at Hotel Weitzer.

The event will start on Wednesday October 3 at 09:00 and ends the same day at 17:00.

The purpose of the meeting is to introduce the Annex proposal and interested parties (Implementing Agreements, Institutes, Industry and others), their activities as well as to finalize the discussion on the objectives, scope and activities of the annex. The outcome of this workshop will be a work plan for the Annex.

If you are interested in becoming an active participant in this Annex, please inform yourself about the funding in your country. You can present your contribution proposal at the workshop (please let us know in advance).

Please send a short message announcing your interest in participating in the meeting.

We are very much looking forward to welcome you in Graz! Please forward the invitation to all relevant persons.

Sincerely Yours,

Andreas Hauer
